

# Inc. 5000

**For the 2nd Year in a Row, Erosion & Construction Solutions, the Parent Company of Siltworm™ and Erosion Construction Services Makes the Inc. 5000, at No. 3,595 in 2024, With Three-Year Revenue Growth of 132 Percent**

**NEW YORK**, August 13, 2024 – Inc. revealed today that Erosion & Construction Solutions, the Parent Company of Siltworm and Erosion Construction Services ranks No. 3,595 on the 2024 Inc. 5000, its annual list of the fastest-growing private companies in America. They also ranked No. 28 within the firms focused on Environmental Services and No. 38 on firms in Indiana. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, Patagonia, and many other household-name brands gained their first national exposure as honorees on the Inc. 5000. Erosion & Construction Solutions Inc 5000 list profile is available here <https://www.inc.com/profile/siltworm>.

Joe Moore, Founder & Chief Brand Ambassador weighed in on this honor "Being recognized in the Inc. 5000 list for the second year in a row is a testament to the dedication and hard work of our entire team. It's an incredible honor that reflects our commitment to innovation and excellence. Every day, we strive to protect our waterways, fully aware that the construction projects that move the economy forward often lead to the pollution of the very waters we rely on for recreation and drinking. This achievement not only validates our efforts but also drives us to

continue addressing these critical challenges, ensuring that our work makes a lasting impact on preserving our precious water resources. #CleanWaterCleanWorld”

The Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year’s top 500 companies, the average median three-year revenue growth rate is 1,637 percent. In all, this year’s Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.

All 5000 companies are featured on Inc.com starting Tuesday, August 13, and the top 500 appear in the new issue of *Inc.* magazine, available on newsstands beginning Tuesday, August 20.

“One of the greatest joys of my job is going through the Inc. 5000 list,” says Mike Hofman, who recently joined *Inc.* as editor-in-chief. “To see all of the intriguing and surprising ways that companies are transforming sectors, from health care and AI to apparel and pet food, is fascinating for me as a journalist and storyteller. Congratulations to this year’s honorees, as well, for growing their businesses fast despite the economic disruption we all faced over the past three years, from supply chain woes to inflation to changes in the workforce.”

CEO, DJ Moore commented "Being named to the Inc. 5000 list for the second year in a row is a true reflection of the passion and dedication that drives our entire team. Joe's leadership in pushing for innovation and protecting our waterways has been instrumental in our success. Together, we've built a company that not only delivers exceptional solutions but also makes a lasting impact on our environment and communities. This recognition fuels our commitment to continue leading with purpose and integrity."

## **More about *Inc.* and the Inc. 5000**

### **Methodology**

Companies on the 2024 Inc. 5000 are ranked according to percentage revenue growth from 2020 to 2023. To qualify, companies must have been founded and generating revenue by March 31, 2020. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2023. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2020 is \$100,000; the minimum for 2023 is \$2 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons. Growth rates used to determine company rankings were calculated to four decimal places.

### **About *Inc.***
